

# “VINÇOTTE OK COMPOST” CERTIFICATION FOR OUR BIOMASTERBATCHES®.

A constant focus on research and development has helped us to perfect our products. Today we can announce our latest certificate - “**Vinçotte OK compost**” - which attests to the quality

of the **Biomasterbatches**® produced exclusively by us and ensures their suitability for colouring new-generation biopolymers. As ever we are at your complete disposal to meet all your colouring requirements.
